

**As a School we will:**

- Create an atmosphere where children are valued and become caring members of the school and community.
- Teach and encourage each child to value education giving them the opportunity to succeed in all areas, academic, creative, physical, social and spiritual.
- Have high expectations of good behaviour.
- Provide activities to be completed at home.
- Give information to parents about their child’s progress and conduct.
- Deal with any complaints in accordance with the School’s procedures.
- Enable children to become increasingly independent.
- Strive to fulfil all of the current aims of the School.
- Safeguard the children in its care.
- Encourage the children to look after their surroundings and each other.
- Let parents know about any concerns or problems that affect their child’s work or behaviour.
- Foster mutual respect between children and adults.

### **Home School Agreement**

Our Home School agreement was drawn up following discussions involving Governors, staff, parents and pupils. We feel that it reflects the close relationship that exists amongst those who belong to the group that is 'Waldringfield School'.
